Dear Sir

RE: JJ HOOKS CONCRETE SAFETY BARRIER PRODUCT APPROVAL

I refer to your submission to VicRoads requesting confirmation of VicRoads approval to the use of JJ Hooks Concrete Safety Barrier.

I am pleased to inform you that subject to the conditions listed below being met, there is no objection to the use of JJ Hooks Concrete Safety Barrier on contracts for VicRoads funded works.

- a) that JJ Hooks Concrete Safety Barrier shall comply with specifications set out in reports:
 - i. NCHRP – 350
 - ii. AS/NZS 3845:1999
- b) that on any particular contract, installation of JJHooks Concrete Barrier shall be subject to the approval of the Superintendent of works.

The product will now be placed on the VicRoads Design Product Register. Please note that a product may be removed from the register if:

- a) the product ceases to meet registration requirements;
- b) the registration requirements are changed; or
- c) the product no longer meets in-service requirements.

Yours faithfully

John Byrden
Principal Road Design Engineer
